

Early Bird CATENA Prague Festival Invitation

Dear Brethren,

We would like to invite you to the next CATENA Festival which will be held in **May 21st – 23rd 2020 in Prague, Czech Republic**, under the management of Humanitas Bohemia. Prague has become a very popular tourist destination in recent years. Especially during the months of May and June the congress and business tourism culminates there. Therefore we need to start with the organization of our CATENA Festival earlier than in the past. The number of CATENA members has been growing and it is difficult to estimate the number of interested Festival participants.

Kindly review the following Preliminary Festival Program and a list of possible accommodation facilities. Please make your hotel and travel reservations well in advance to obtain desirable accommodation and favourable prices.

We would like to ask all Catena obediences (regular and candidate) to send us their estimate of participants planning to visit CATENA Festival 2020, by November 15th latest, please. This information will help us with the Festival preparation.

Please, send all the information to these addresses:
